DA GAMA

ARTISTIC DIRECTOR

None of this is about me. Whether I have a role in this or not, the Studio, OSDG, will continue.

Still, there is a role at present for me to play – Arististic Director and CEO – and until at such time we choose a sucessor worthy of the position, lead the Studio I will. To that end, or this beginning, to Agents, Publishers, Producers, Investors, we present the OSDG portfolio.
